By leveraging private philanthropy, Imagine Foundation closes the gap between what public funds can provide and what students need to thrive.

Community members who make exceptional gifts to the OPRFHS Imagine Foundation may opt to name a specific OPRF space to honor a loved one, mentor, group, or family. The District 200 Board of Education approved this list of naming recognition opportunities in February, 2023.

The OPRFHS Imagine Foundation welcomes the opportunity to discuss naming recognition opportunities with interested donors.
