Donors who make exceptional gifts to the OPRFHS Imagine Foundation may opt to name a specific OPRF space to honor a loved one, mentor, group, or family. The District 200 Board of Education approved this list of naming recognition opportunities in February, 2023.

The specific gift amounts and durations are provided as guidelines for our discussions with donors. Individual donors and the Foundation will reach a mutual agreement about the specifics of each naming recognition agreement. Final approval of all naming recognition agreements will come from the D200 Board.

The OPRFHS Imagine Foundation welcomes the opportunity to discuss naming recognition opportunities with interested donors.
